### Itinerary

### **Day 1: Vancouver to Tofino**

Get your binoculars at the ready! We'll begin our adventure with a little marine life spotting as we take a scenic ferry ride from Horseshoe Bay to Nanaimo on Vancouver Island. From there we will explore the lush rainforests, cascading waterfalls, and giant trees of Vancouver Island. Then we're off to Sproat Lake to observe one of the finest panels of prehistoric Indigenous petroglyphs. Our day ends by settling into the quaint little fishing village of Tofino, and feasting on fish & chips (don't worry, they have non-seafood options too!)

Meal Inclusions: Dinner

Moose Accommodation: HI Tofino - Whalers on the Point

### **Day 2: Tofino Free Day**

Today is yours to do as you please! Cruise through the Pacific Ocean and go whale watching, soak in one of Tofino's hot springs, or jump right into kayaking or surfing. Explore on foot, by bike, or go hiking – Tofino has lots on offer for your free day! As the evening draws in and the stars start to appear, we'll be setting up a beach campfire (weather permitting) where we'll toast some marshmallows and share each other's stories of the day.

Moose Accommodation: HI Tofino - Whalers on the Point

### **Day 3: Tofino to Victoria**

We'll start our day at Wickanninish Beach in Pacific Rim National Park, which was named after Chief Wickanninish who ruled Clayoquot Sound in the 1700s! Then we'll be heading to the village of Coombs for a chance to spot the famous goats on the roof of the Old Country Market. Then, it's the East Coast for us as we head down to Chemainus with its 39 giant outdoor murals for a little AI Fresco art appreciation. You'll also get a chance to snap the world's largest (ice) hockey stick! (only in Canada, eh?) This evening we'll be staying in the BC provincial capital, Victoria, where you can enjoy the buzzing Inner Harbour night scene.

Moose Accommodation: Ocean Island Inn or HI Victoria

### **Day 4: Victoria to Vancouver**

Today's a day for history! We will begin our day with a walking tour starting in Victoria's Chinatown, then make our way along the Inner Harbour to see the Empress Hotel, Parliament Buildings and learn about the Black Pioneers that arrived from San Francisco in 1858. Then we'll head to Beacon Hill Park – known as the crowning jewel in Victoria's park system, to gaze at the Terry Fox Memorial, and the world's tallest free-standing totem pole. After that, the day is yours to explore Victoria as you wish, although we highly recommend checking out the vibrant Fisherman's Wharf. We'll then congregate to take another scenic ferry through the Gulf Islands, across the Salish Sea and back to Vancouver.

Moose Accommodation: HI Vancouver - Jericho Beach

### **Day 5: Vancouver to Whistler**

Have your camera ready for an amazing journey today! We'll travel the breath-taking Sea to Sky Highway, past mountain peaks, glaciers, and stunning lakes, stopping off at two waterfalls, Shannon Falls and Brandywine Falls. Upon our arrival in Whistler, we'll take a guided tour of the Squamish Lil'wat Cultural Centre including a forest walk with a Cultural Ambassador, to learn about the Indigenous cultures of the Whistler Valley. We bet you'll be hungry after this jam-packed day, so we'll be dining together this evening. After that, check out Whistler's nightlife scene or give axe throwing a go! (And yes, Canada hosts a World Axe Throwing League.)

Activity Inclusions: Guided tour of Squamish Lil'wat Cultural Centre

Meal Inclusions: Dinner

Moose Accommodation: HI Whistler

### **Day 6: Whistler to Vancouver**

Ziplining, bungee jumping, mountain biking and hiking; these are just some of the things you could be doing today! We don't leave until the afternoon, giving you plenty of time to explore Whistler village or the mountains. Alternatively, find a quiet spot in one of the beautiful parks and take in some raw unadulterated nature, before we head back to Vancouver, stopping en route for another photo opportunity!

Moose Accommodation: HI Vancouver - Jericho Beach

### **Day 7: Vancouver to Kelowna**

The desert is calling! Today we're going east through the Fraser Valley, where we'll take a short walk through a West Coast rainforest to Bridal Veil Falls. Then, we'll traverse the Coastal Mountains, stopping at Lightning Lake in Manning Park at lunchtime. The semi-arid desert grasslands of the Okanagan are next on our itinerary, where we'll go paddle boarding on the beautiful Skaha Lake. We'll be replenishing ourselves with a special dinner at Kekuli Café in Westbank, where you'll get to try Indigenous cuisine, before settling in for the night on Lake Okanagan in Kelowna.

Activity Inclusions: Paddle boarding on Skaha Lake

Meal inclusions: Indigenous cuisine dinner

Moose Accommodation: Samesun Kelowna

### **Day 8: Kelowna to Banff**

Being a little greedy with mountain ranges today, crossing not one, not two - but three of them, as we travel through four National Parks towards Banff! We'll stop in Revelstoke where you can go lake kayaking or simply enjoy the beautiful mountain scenery. Finally we'll enter the Rocky Mountains and cross over the Kicking Horse Pass into Alberta and Banff National Park, spending the night in the historic town of Banff itself, right in the heart of the mountains.

Note: during April/May and from mid-September onwards, we will cross over the Vermillion Pass to enter Alberta and Banff National Park.

Meal Inclusions: Breakfast at Samesun Kelowna

Moose Accommodation: HI Banff

### **Day 9: Banff to Rampart Creek**

It's time to visit those famous blue lakes! Lake Louise is calling, as is Moraine Lake (seasonal) before heading onto the Icefields Parkway for breath-taking views of jagged mountain peaks, glaciers, raging rivers and more turquoise lakes. Keep your eyes peeled for large furry animals as we make stops at the Crowfoot Glacier, Peyto Lake (our favourite) and Mistaya Canyon before arriving at our rustic wilderness hostel alongside Rampart Creek. We invite you to really take in your surroundings with a dip and a sauna, and perhaps a campfire under the stars.

Moose Accommodation: HI Rampart Creek. Please note: there are no alternative accommodation options at this location, but we know you'll love having a true taste of Canada at Rampart Creek's rustic wilderness hostel.

### **Day 10: Rampart Creek to Jasper**

Jasper National Park today! But first we'll stop at Big Bend lookout for a great view of the U-shaped North Saskatchewan River Valley. Get your legs ready because next up is the Columbia Icefield, the largest ice field in the Rocky Mountains at 325 square kilometres, where we'll hike to the toe of the Athabasca Glacier (conditions permitting.) Then on to Maligne Canyon, the deepest canyon in Jasper National Park, for a hike that crosses several bridges over the canyon with jaw-dropping views. Jasper townsite is our destination, and if you're seeking an adrenaline rush, there is an option to take a guided mountain bike tour on arrival.

Moose Accommodation: HI Jasper

### **Day 11: Jasper to Banff**

Our first stop: Athabasca Falls, one of the most powerful and picturesque in the Rockies! This is followed by a bit of mountain goat spotting (we're still amazed at how they hold on) at the Goats and Glaciers viewpoint. Then on to Waterfowl Lakes to soak in the backdrop of Mount Chephren, which was named after the 4th Dynasty Egyptian Pharaoh. After this, we'll return to Banff for a group dinner, and once our bellies are full, the night is yours! See what Banff nightlife has to offer or take a relaxing dip in the Banff Upper Hot Springs. Who doesn't love a giant bathtub?

Meal inclusions: Dinner at Samesun Banff

Moose Accommodation: Samesun Banff

### **Day 12: Banff Free Day**

Today is yours to do as you please! And where better to have a free day than in the heart of the Rocky Mountains! Go hiking, enjoy the sites of Banff or for an optional extra cost, go whitewater rafting, canoeing or mountain biking. Enjoy!

Meal inclusions: Breakfast at Samesun Banff

Moose Accommodation: Samesun Banff

### **Day 13: Banff to Kelowna**

Sadly, we leave the Rockies today, but we'll go out with a bang, stopping at some of the most breathtaking scenic points in Western Canada. We will visit the Takakkaw Falls (seasonal), the pristine Emerald Lake and the Natural Bridge, as well as stopping for a photo at the stunning Kalamalka Lake viewpoint once we reach the Okanagan Valley. Here you will find beautiful sandy beaches on crystal clear lakes and plenty of sun-filled activities! Night time it's downtown Kelowna for a plethora of bars and nightclubs in this university city!

Note: during April/May and from mid-September onwards, we will visit Kootenay National Park instead of seeing Takakkaw Falls, Emerald Lake and the Natural Bridge.

Meal Inclusions: Breakfast at Samesun Banff

Moose Accommodation: Samesun Kelowna

### **Day 14: Kelowna to Vancouver**

On our final day, we'll climb over a high mountain pass, travel along the Nicola Valley and enter the Fraser Canyon. Our main destination of the day is Tuckkwiowhum Village, an Indigenous heritage site, where we'll enjoy a guided tour and interact with a Traditional Knowledge Keeper. We'll then continue down the canyon to Hope, where we'll explore the Othello Tunnels on a magical walk across bridges and through old train tunnels that cut through solid granite walls! The finale is near – we'll finish in Vancouver where it's all hugs and Insta handle swapping as you say goodbye to your Moose mates and head home – but armed with a whole bunch of amazing adventures to talk about!

Activity Inclusions: Guided tour of Tuckkwiowhum Village

Meal Inclusions: Breakfast at Samesun Kelowna

On an accommodated tour all your accommodation is included for the standard nights of the trip, at a Moose discounted rate. You'll be staying in mixed gender hostel dorm rooms. ## Meals

Your included meals are listed in the **What's Included** section above. Included meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!) As such, you can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! Or they may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

## Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 11 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

We also include two scenic ferry rides across the Strait of Georgia with BC Ferries. Keep your eyes peeled for whales, dolphins, and other wildlife!

## Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour? No need to book ahead. Your Moose guide will give you more information during the tour. But please budget for them if you are interested!

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local

supplier. If you choose to participate in an optional activity, your contract will be with the activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.
