Have your camera ready for an amazing journey today! We'll travel the breath-taking Sea to Sky Highway, past mountain peaks, glaciers, and stunning lakes, stopping off at two waterfalls, Shannon Falls and Brandywine Falls. Upon our arrival in Whistler, we'll take a guided tour of the Squamish Lil'wat Cultural Centre including a forest walk with a Cultural Ambassador, to learn about the Indigenous cultures of the Whistler Valley. We bet you'll be

hungry after this jam-packed day, so we'll be dining together this evening. After that, check out Whistler's nightlife scene or give axe throwing a go! (And yes, Canada hosts a World Axe Throwing League.)

Day 2: Whistler to Vancouver

Ziplining, bungee jumping, mountain biking and hiking; these are just some of the things you could be doing today! Alternatively, find a quiet spot in one of the beautiful parks and take in some raw unadulterated nature, before we head back to Vancouver, stopping en route for another photo opportunity!

If you are staying elsewhere, you will need to make your own way there from one of the above locations. Under normal circumstances, expect to be dropped off in Vancouver around 8pm.

Meals

Your included meals are listed in the **What's Included** section above. Included meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!) As such, you can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! Or they may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to

pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 11 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour? No need to book ahead. Your Moose guide will give you more information during the tour. But please budget for them if you are interested!

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local supplier. If you choose to participate in an optional activity, your contract will be with the activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.
