#### Day 1: Vancouver to Whistler

We start our adventure by following an Olympic and Paralympic dream, as we travel from Vancouver to Whistler, the host cities of the 2010 Winter Games! En route, we'll drive

through the famous Stanley Park, over the Lions Gate Bridge and then stop at the (possibly frozen) Shannon Falls along the scenic Sea to Sky Highway. Once in Whistler, we'll do an orientation tour of the village, followed by a guided tour of the Squamish Lil'wat Cultural Centre to learn about the Indigenous cultures of the Whistler Valley. After an included dinner, the night is yours to experience Whistler's legendary nightlife scene or simply to recover after a busy day!

Activity Inclusions: Guided tour of Squamish Lil'wat Cultural Centre

Meal Inclusions: Dinner

Recommended Accommodation: HI Whistler

### **Day 2: Whistler Snow Day**

Get your snow adventure on today with one of the many optional activities on offer: skiing/snowboarding, ziplining, snow tubing, ice skating and more! Your Moose guide will help you get organized or will point you in the right direction if you're looking for a more chill day. Whistler has plenty to offer everyone! This evening, why not bury the hatchet, literally, by trying your hand at axe throwing? It's a seriously competitive sport here in Canada!

Recommended Accommodation: HI Whistler

### **Day 3: Whistler to Vancouver**

Looking for more adventure? We don't leave until the afternoon, giving you plenty of time for more activities today! Or take a more passive approach and enjoy the stellar views from the PEAK 2 PEAK Gondola on a 4.4 km, 11 minute journey between Whistler and Blackcomb mountains. Check out the Whistler Olympic Plaza, browse the many shops and galleries, or hangout in a café and people watch. Then it's back to Vancouver for goodbye hugs at the end of your amazing Moose adventure!

## Meals

Your included meals are listed in the **What's Included** section above. Included meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!) As such, you can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! Or they may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

## Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 11 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

## Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour?

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local supplier. If you choose to participate in an optional activity, your contract will be with the activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.
