Itinerary

Day 1: Vancouver to Kelowna

The Okanagan is calling! Leaving the city, we're heading east through the Fraser Valley, stopping for an easy walk in a temperate rainforest to the base of Bridal Veil Falls. Then,

after crossing the Coast Mountains and traversing the Pennask Summit, we'll descend into the Okanagan Valley, Western Canada's premier wine producing region. Lucky for us, we'll enjoy an included winery tour and tasting on arrival! After checking into our accommodation in lakeside Kelowna, we're off to a special dinner at Kekuli Café in Westbank, where you'll get to try Indigenous cuisine.

Activity Inclusions: Winery tour and tasting

Meal inclusions: Indigenous cuisine dinner

Recommended Accommodation: Samesun Kelowna

Day 2: Okanagan Snow Day 1

On the first of two free days in the Okanagan, we'll make a day trip to SilverStar Mountain Resort in the Monashee Mountains to experience the 'champagne powder' first-hand. With a mellow frontside of easy going ski runs and a hairy backside of more difficult terrain, some locals affectionately call this place 'Jekyll and Hyde' because of its dual personalities! Not a skier or snowboarder? No worries. Other activity options include skating, tubing, snowshoeing, fat tire biking, snowmobiling and nordic skiing, or just hangout in the colourful village with a hot chocolate. After a full day, it's back to Kelowna and perhaps a night on the town in this university city!

Recommended Accommodation: Samesun Kelowna

Day 3: Okanagan Snow Day 2

Another free day today, and with two other mountains in range, we could visit Big White Ski Resort or Apex Mountain Resort. Either way, it's another full day in the Okanagan snow with multiple activity options available! Or choose to stay in Kelowna, explore the waterfront and shops downtown, or even take another winery tour. Your choice, but if you're not stomping the snow, we recommend the (delicious beverage that comes from) stomped grapes!

Recommended Accommodation: Samesun Kelowna

Day 4: Kelowna to Vancouver

On our final day, we'll travel the Coquihalla Highway back to the coast. But first, we'll stop in the town of Hope, the "Chainsaw Carving Capital" to admire some of the 80 plus chainsaw carvings on display in the town centre. Note to any old school movie fans; Hope is where Rambo: First Blood was filmed. Please contain your excitement! Then it's on to Vancouver for hugs, tears and final goodbyes as your Western Canada snow-fari adventure comes to a close!

Meals

Your included meals are listed in the **What's Included** section above. Included meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!) As such, you can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! Or they may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 11 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour?

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local supplier. If you choose to participate in an optional activity, your contract will be with the

activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.
