### Itinerary

#### Day 1: Vancouver to Whistler

Have your camera ready for an amazing journey today! We'll travel the breath-taking Sea to Sky Highway, past mountain peaks, glaciers, and stunning lakes, stopping off at two waterfalls, Shannon Falls and Brandywine Falls. Upon our arrival in Whistler, we'll take a guided tour of the Squamish Lil'wat Cultural Centre including a forest walk with a Cultural Ambassador, to learn about the Indigenous cultures of the Whistler Valley. We bet you'll be hungry after this jam-packed day, so we'll be dining together this evening. After that, check out Whistler's nightlife scene or give axe throwing a go! (And yes, Canada hosts a World Axe Throwing League.)

Activity Inclusions: Guided tour of Squamish Lil'wat Cultural Centre

Meal Inclusions: Dinner

Recommended Accommodation: HI Whistler

### **Day 2: Whistler to Vancouver**

Ziplining, bungee jumping, mountain biking and hiking; these are just some of the things you could be doing today! We don't leave until the afternoon, giving you plenty of time to explore Whistler village or the mountains. Alternatively, find a quiet spot in one of the beautiful parks and take in some raw unadulterated nature, before we head back to Vancouver, stopping en route for another photo opportunity!

Recommended Accommodation: HI Vancouver - Jericho Beach

### **Day 3: Vancouver to Kelowna**

The desert is calling! Today we're going east through the Fraser Valley, where we'll take a short walk through a West Coast rainforest to Bridal Veil Falls. Then, we'll traverse the Coastal Mountains, stopping at Lightning Lake in Manning Park at lunchtime. The semi-arid desert grasslands of the Okanagan are next on our itinerary, where we'll go paddle boarding on the beautiful Skaha Lake. We'll be replenishing ourselves with a special dinner at Kekuli Café in Westbank, where you'll get to try Indigenous cuisine, before settling in for the night on Lake Okanagan in Kelowna.

Activity Inclusions: Paddle boarding on Skaha Lake

Meal inclusions: Indigenous cuisine dinner

Recommended Accommodation: Samesun Kelowna

### **Day 4: Kelowna to Banff**

Being a little greedy with mountain ranges today, crossing not one, not two - but three of them, as we travel through four National Parks towards Banff! We'll stop in Revelstoke where you can go lake kayaking or simply enjoy the beautiful mountain scenery. Finally we'll enter the Rocky Mountains and cross over the Kicking Horse Pass into Alberta and Banff National Park, spending the night in the historic town of Banff itself, right in the heart of the mountains.

Note: during April/May and from mid-September onwards, we will cross over the Vermillion Pass to enter Alberta and Banff National Park.

Recommended Accommodation: HI Banff

### **Day 5: Banff to Rampart Creek**

It's time to visit those famous blue lakes! Lake Louise is calling, as is Moraine Lake (seasonal) before heading onto the Icefields Parkway for breath-taking views of jagged mountain peaks, glaciers, raging rivers and more turquoise lakes. Keep your eyes peeled for large furry animals as we make stops at the Crowfoot Glacier, Peyto Lake (our favourite) and Mistaya Canyon before arriving at our rustic wilderness hostel alongside Rampart Creek. We invite you to really take in your surroundings with a dip and a sauna, and perhaps a campfire under the stars.

Moose Accommodation: HI Rampart Creek. Please note: there are no alternative accommodation options at this location, but we know you'll love having a true taste of Canada at Rampart Creek's rustic wilderness hostel.

### **Day 6: Rampart Creek to Jasper**

Jasper National Park today! But first we'll stop at Big Bend lookout for a great view of the U-shaped North Saskatchewan River Valley. Get your legs ready because next up is the Columbia Icefield, the largest ice field in the Rocky Mountains at 325 square kilometres, where we'll hike to the toe of the Athabasca Glacier (conditions permitting.) Then on to Maligne Canyon, the deepest canyon in Jasper National Park, for a hike that crosses several bridges over the canyon with jaw-dropping views. Jasper townsite is our destination, and if you're seeking an adrenaline rush, there is an option to take a guided mountain bike tour on arrival.

Recommended Accommodation: HI Jasper

### **Day 7: Jasper to Banff**

Our first stop: Athabasca Falls, one of the most powerful and picturesque in the Rockies! This is followed by a bit of mountain goat spotting (we're still amazed at how they hold on) at the Goats and Glaciers viewpoint. Then on to Waterfowl Lakes to soak in the backdrop of Mount Chephren, which was named after the 4th Dynasty Egyptian Pharaoh. Our tour ends after a group dinner back in Banff.

Meal inclusions: Dinner at Samesun Banff

Accommodation: None

## Meals

Your included meals are listed in the **What's Included** section above. Included meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!) As such, you can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! Or they may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

## Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 11 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

## Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour? No need to book ahead. Your Moose guide will give you more information during the tour. But please budget for them if you are interested!

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local supplier. If you choose to participate in an optional activity, your contract will be with the activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.
