Itinerary

Day 1: Banff to Wilderness Stay

It's time to visit those famous blue lakes that you've seen in postcards! Lake Louise is calling, as is Moraine Lake (seasonal) before heading along the Icefields Parkway for breathtaking views of jagged mountain peaks, glaciers, raging rivers and more turquoise lakes. Keep your eyes peeled for iconic Canadian wildlife such as bears, moose and elk as we make stops at the Crowfoot Glacier, Peyto Lake (our favourite) and Mistaya Canyon before arriving at our rustic wilderness hostel. We invite you to immerse yourself in your beautiful surroundings with a dip and a sauna, and a campfire under the stars with your fellow travelers and a home cooked pot luck dinner.

Moose Accommodation: HI Mosquito Creek, HI Rampart Creek or HI Athabasca Falls

Optional Meal Inclusion: Home style group meal

Please note: there are no alternative accommodation options at this location, but we know you'll love having a true taste of Canada at one of our wilderness hostel stays.

Day 2: Icefields Parkway to Jasper

Jasper National Park today! First, we'll stop at Big Bend lookout for a stunning view of the North Saskatchewan River Valley. Get your legs ready because next up is the Columbia Icefield, the largest ice field in the Rocky Mountains at 325 square kilometres, where we'll hike to the toe of the Athabasca Glacier (conditions permitting). We will then head on to Maligne Canyon, the deepest canyon in Jasper National Park, for a short hike that crosses several bridges over the canyon with jaw-dropping views. Jasper townsite is our destination, and if you're seeking an adrenaline rush, there is an option to take a guided mountain bike tour on arrival.

Optional Afternoon Activity: Mountain Biking in Jasper

Recommended Moose Accommodation: HI Jasper

Day 3: Jasper to Banff

Our first stop: Athabasca Falls, one of the most powerful and picturesque in the Rockies! This is followed by a bit of mountain goat spotting (we're still amazed at how they hold on) at the Goats and Glaciers viewpoint. Next, we head to Waterfowl Lakes to soak in the backdrop of Mount Chephren, which was named after the 4th Dynasty Egyptian Pharaoh. After this, we'll return to Banff for a group dinner, and once our bellies are full, the night is yours! See what Banff nightlife has to offer or take a relaxing dip in the Banff Upper Hot Springs.

Meal inclusions: Dinner at Cougar Pete's Restaurant & Lookout

Recommended Moose Accommodation: HI Banff Alpine Centre

Day 4: Banff Free Day

Today is yours to do as you please! Where better to have a free day than in the heart of the Rocky Mountains! Go hiking, enjoy the sights of Banff, spend the day sampling some of Banff's great breweries and restaurants, or for an optional extra cost, go whitewater rafting, canoeing or mountain biking. Enjoy!

Meal inclusions: Breakfast at HI Banff Alpine Centre

Recommended Moose Accommodation: HI Banff Alpine Centre

Day 5: Banff to Kelowna

Sadly, we leave the Rockies today (the desert is calling!), but we'll go out with a bang, stopping at some of the most breathtaking scenic points in Western Canada. We will visit the Takakkaw Falls (seasonal), the pristine Emerald Lake and the Natural Bridge, as well as stopping for a photo at the stunning Kalamalka Lake viewpoint once we reach the Okanagan Valley. Here you will find beautiful sandy beaches on crystal clear lakes and plenty of sun-filled activities! For the evening it's downtown Kelowna for an abundance of bars and nightclubs in this university city!

Please Note: during April/May and from mid-September onwards, we will visit Kootenay National Park instead of seeing Takakkaw Falls, Emerald Lake and the Natural Bridge.

Recommended Moose Accommodation: Samesun Kelowna

Day 6: Kelowna to Vancouver

On our final day, we'll traverse West Kelowna and the Peachland's in the Okanagan, known for being British Columbia's primary wine and fruit growing region. You'll stop at fruit markets, bakeries, and pass by numerous vineyards. Keep an eye on the vast Okanagan Lake and maybe you'll see the Ogoopogo monster!!! Our next destination is Penticton where we will go paddleboarding on the beautiful Skaha Lake. In the afternoon, we'll climb over a high mountain pass, travel along the Nicola Valley and enter the Fraser Canyon.

Meal Inclusions: Morning coffee and pastry at Frind Estate Winery

Morning Activity Inclusion: Paddleboarding on Skaha Lake

Moose Accommodation: There is no accommodation included tonight. You will need to make your own arrangements. We recommend that you do not book onward travel on this day in case of traffic or weather delays.

Check-In Procedures

If your Moose guide feels that your main bag is oversize/overweight, it may be weighed/measured at check-in to confirm it meets our [baggage allowance](#). Please read and comply with this policy to avoid missing the tour departure or facing additional charges.

Note: Day 6 - Special Items to Pack in Your Carry-On Bag

You'll go paddle boarding on Skaha Lake in the morning on Day 6 of this tour! So, in case you didn't think of it yourself, please pack your swimsuit and a towel in your carry-on bag on this day of the tour. Don't worry, there are washrooms/change rooms at the beach!

Moose does NOT include nor hold any accommodation reservations on your behalf in the overnight locations on this package. The non-accommodated package is designed for travellers who wish to stay in private rooms or in alternative properties.

NOTE 1: The only exception is at our wilderness stay where one (1) night in a mixed gender, hostel dormitory bed is included with this package. There are no alternative accommodation properties nearby and no private rooms available, hence why this hostel overnight is included.

NOTE 2: if you wish to switch to the accommodated tour package, which includes mixed-gender, hostel dormitory style accommodation for ALL nights of the tour, please contact your travel agent immediately.

Daily Departure Times

We depart from the included accommodation at the following times on each day of the tour:

Day & Location	Hostel Name	Departure Time
Day 1: Banff	See Joining Your Trip section above	
Day 2: Icefields Parkway	HI Mosquito Creek HI Rampart Creek, or HI Athabasca Falls	08:30

Day 5: Banff	HI Banff Alpine Centre	08:15
Day 6: Kelowna	Samesun Kelowna	08:00

Meals

Your included meals are listed in the **What's Included** section above. Meals do not include beverages, except for free tap water, and as such, you will need to purchase your own drinks.

Speaking of tap water, it's clean and safe to drink almost everywhere in Canada, unless specifically noted at the water facility. We strongly encourage you to bring a reusable water bottle that you can refill from a tap, rather than purchasing disposable plastic water bottles that contribute to pollution. A reusable coffee or tea mug is also a great idea!

To help you save money, we make grocery stops almost every day so you can self-cater, and all of the hostels we stay at have kitchens that are available for Moose use (that rhymes!). You can prepare your own breakfast or dinner at the hostel if it's not already included. On occasion, your Moose guide may organize an optional group dinner, where you can choose to pitch in a few dollars, and then help with cooking or clean up. It's fun and inexpensive! They may suggest an optional group dinner at a good value local restaurant. On travel days, lunch will typically occur en route. Your Moose guide will either stop in a town where you'll have several options for lunch, or you will stop in the morning to pick up lunch supplies for a picnic in the wilderness later in the day. Remember, don't feed the wildlife!

We recommend budgeting approximately CAD\$20 to \$40 per day for non-included meals. Restaurants will be more expensive, and remember to account for Canadian tax (5%) and tip (15-20%). Note that alcohol in the Province of BC is also subject to an additional 10% tax.

HAVE ANY DIETARY RESTRICTIONS?

Please advise us if you have any dietary restrictions. We can cater to most.

Please advise your travel agent, or send us an email (include your Moose Confirmation Number): info@moosebus.travel

Transportation

Our buses are safe and comfortable mini-coaches, seating anywhere from 13 to 24 people. They have extra large windows for catching all the great views, air-conditioning and heating to keep cool or warm, and a sound system to keep the tunes rolling!

Optional Activities

Why not enhance your trip by participating in one of the below adventure activities during your tour? No need to book ahead. Your Moose guide will give you more information during the tour and please budget for them if you are interested!

The optional activities listed below are not operated by Moose, except for the free hiking, swimming and wildlife spotting activities. Moose arranges the activity as an agent of the local supplier. If you choose to participate in an optional activity, your contract will be with the activity provider and their conditions will apply. Some activities are seasonal, weather dependent, or require minimum numbers to participate.

Finances

Currency

The currency in Canada is the Canadian Dollar (CAD \$). For a currency conversion tool, we recommend [xe.com](https://www.xe.com).

Changing Money

ATMs/cash points are widely available in North America and are the safest and easiest way to access cash. Credit cards are accepted almost everywhere in North America (there may be a minimum spend required) except at some street retailers (like food carts) and in very small shops. Some of our optional activity providers may only accept cash, but your Moose guide will advise you of this advance. We recommend having multiple options available for payment or accessing cash.

Spending Money

See the sections on Accommodation, Meals, and Optional Activities for estimated costs during your Moose trip. You will also need to budget for entertainment/nightlife, and shopping/souvenirs, but those costs can vary widely depending on your personal preferences.

Tipping

In North America, tipping is customary in bars and restaurants, and in the hospitality industry in general. We recognize that this may not be the norm in your home country, but just consider it to be part of your cultural experience! We recommend tipping 15-20% of the bill in restaurants, and \$0.50 to \$1 per drink at the bar. If travelling by taxi or Uber/Lyft, we recommend tipping 10%.

During your Moose tour, if you participate in and really enjoy one of the optional activities, it's also customary to tip your local guide to show your appreciation. We recommend about 10%, or a maximum of \$5 for more costly activities. Please note that while your Moose guide does not expect a tip, if you feel they have done an amazing job, a tip will be greatly appreciated at the end of the tour! If you're not sure how much to tip, we suggest \$5-10 per day on tour.

What To Bring

We recommend packing as lightly as possible! Note that almost all hostels we use have guest laundry facilities, so you will be able to wash your clothes while on tour.

Packing Lists

The following is a suggested clothing list only, based on our experience:

- 1 pair of comfortable shoes for trail walking. Hiking shoes/boots are not required, unless you plan on doing more challenging hikes on your own. If you are travelling in the spring/autumn when conditions may be wet/snowy/muddy, you might want to consider hiking shoes.
- 1 pair of smart-casual shoes
- 1 pair of flip-flops/thongs/jandals
- 2 pairs of jeans/long pants
- 2 pairs of shorts/skirts
- 4 shirts/t-shirts
- 2 sweaters/jumpers (layers!)
- Smart casual evening wear
- Underwear and socks
- Swimsuit and towel

- 1 rain/windproof jacket
- Hat for sun and rain protection
- Beanie (called a toque in Canada) and light gloves - it can get cold in the Rockies and in the Coastal Mountains at higher altitudes and/or on/near the glaciers, even in the middle of summer!

Other general items to pack:

- Reusable water bottle (also consider bringing a coffee/tea mug)
- Toiletries
- Sunscreen
- Insect repellent
- Electrical plug adapter
- Camera, batteries, chargers
- Flashlight/torch (or use an app on your smartphone)

NOTE: a sleeping bag is NOT required, and in fact, many hostels will NOT allow them due to potential bed bug issues. All hostels we use provide pillows and bed linen.

Baggage Allowance

Each traveller is allowed to bring one reasonably sized main backpack, bag, or suitcase to be stored in the rear luggage compartment of the bus on travel days, with a maximum allowable weight of 23kg (50lbs) and maximum linear dimensions (Height + Width + Depth) of 158cm (62in). Backpacks are better than suitcases for optimizing storage space in the luggage compartment. It also makes it easier for you to carry upstairs in the hostels we use, none of which have elevators/lifts. In addition, each passenger may bring one “carry-on” item like a day pack or small bag, that will be carried in the passenger compartment of the bus.

NOTE: Moose reserves the right to refuse to accept luggage that exceeds our weight and/or size restrictions. If we choose to accept overweight or oversize luggage, we will charge a fee of \$50 per bag for overweight/oversize pieces. Note that the decision to accept an overweight/oversize piece can only be made at departure because it depends on the combined weight and size of all travellers’ luggage. If your luggage is refused, you will need to make (and pay for) your own arrangements to ship or store your luggage, which may result in your missing departure that morning. You would then also need to make (and pay for) your own arrangements to catch up with the tour that afternoon or evening.

Passports and Visas

You will need a valid passport to enter Canada. Furthermore, you may require up to 6 months of remaining validity on your passport to be granted entry (or even to be able to board your flight to Canada). You are responsible for checking with your nearest Canadian Embassy or Consulate to determine the validity requirements for your passport country.

In addition to requiring a passport, you will also need either a Canadian entry visa or an Electronic Travel Authorization (eTA) to enter Canada (unless you hold a valid USA passport). Please visit the following website to determine your entry requirements:

[Canadian entry requirements by country/territory](#)

The above website has links to apply for an ETA. If you require a visa to enter Canada, please visit your nearest Canadian Embassy or Consulate. Regardless of your entry requirements, please submit your application well in advance to ensure you receive your entry authority prior to your scheduled flight to Canada.

NOTE: Moose has no control or influence over the entry requirements for Canada, and these requirements could change at any time. As the traveller, you are solely responsible for ensuring you meet Canadian entry requirements in advance of departing for Canada. Moose cannot provide you with any official advice, beyond pointing you to where you can find this official advice, as we have done above.

Travel Insurance

Travel Insurance. Our thoughts? Don't leave home without it, but we sincerely hope you never have to use it!

We strongly recommend that all Moose travellers purchase a comprehensive travel insurance policy that covers you for the entire duration of your trip. The policy should include emergency medical coverage, trip cancellation/interruption/delay, baggage and personal effects theft/damage, as well as coverage for any adventure sports that you may participate in. Travel insurance is very affordable, and most providers offer a variety of different packages depending on your needs. **Please ask us about Moose recommended travel insurance or speak with your travel agent.**

If you choose NOT to purchase travel insurance, please know that the financial consequences of that decision could be quite costly, whether that's an excessive hospital bill due to an accident, or no refund for your Moose tour if you cancel last minute because a significant family member has fallen severely ill. None of these events can be predicted, but unfortunately, we can assure you they have happened to other Moose travellers! **Our Cancellation Terms and Conditions apply in full regardless of how terrible the circumstances that led to you having to cancel your trip.** Travel insurance covers you when the unexpected occurs!

Health and Safety

Please advise us in advance of any medical conditions (including food allergies) you have. Please also remind your Moose guide of this on Day 1. If you require regular medication, please ensure you have a sufficient supply before your trip departs, as it may be difficult to obtain while travelling. You (or a travel partner) must be able to administer your own medication, as your Moose guide will not be able to administer it.

HAVE ANY MEDICAL CONDITIONS WE NEED TO KNOW ABOUT?

Please advise your travel agent, or send us an email (include your Moose Confirmation Number): info@moosebus.travel

For further information on safety at Moose, please visit the [Safety](#) page on our website.

In the event of an emergency involving a Moose bus or Moose passengers in Western Canada, please call the Moose Travel Network emergency phone number:

Calling this phone for non-emergencies blocks the line unnecessarily and prevents others from contacting us about a real emergency. Here are just a few examples of NON-emergencies for which you should NOT call our emergency line:

- you missed your flight and will not make the scheduled departure time for your Moose tour
- your daughter/son/brother/sister/friend is on a Moose tour, and you haven't heard from them in a few days

For non-emergencies, please refer to our regular contact details in the sections above.
